## DAY 2. KOK-TOBE + TOUR MEDEU + SHYMBULAK

● **Breakfast in Hotel**

🚐 **DAY TOUR KOK-TOBE by Cable car OW**

The cabin with passengers overcomes the 1,620-meters path in six minutes. The project was unique because operating with such a length of ropes and a height difference of 250 meters it had only three supports and the maximum distance between each of them was almost a kilometre. The project provided for the main priorities – high reliability, year-round operation and visitor's comfort.

**TOUR MEDEU / SHYMBULAK**, at 1691m above sea level, Medeu is the highest skating rink in the world. Its unique location makes its ice super-glidey, and Medeu has a lot of world records and skating history attached to its name. It is the world's largest mountain complex for winter sports with the largest area of artificial ice field. Shymbulak is a modern ski resort with 10 ski lifts, 25 kilometers of ski slopes, some of which are equipped with "snow cannons".

Founded in 1954 as a training base for Soviet skiers, Shymbulak is the most famous destination in Central Asia for winter sports enthusiasts. Shymbulak is located at an altitude of 2,000 to almost 5,000 meters above sea level and is a natural habitat for unique plants and animals (including those listed in the Red Book).
